# Meeting to set contract objectives; This is your chance to have a say

With the Health Science Professionals Bargaining Association contract set to expire March 31, 2014, work is already underway to prepare HSA's priorities.

HSA stewards will be calling chapter meetings to be held by November 12, 2013 to discuss bargaining proposals. All HSA members covered by the Health Science Professionals Bargaining Association collective agreement are urged to attend the chapter meeting. Your negotiating team needs to hear from you.
