Supervisors in the union

April 27, 2016

Course: Supervisors in the Union

Date: Thursday, June 2nd, 2016

Location: HSA Office, 180 East Columbia Street, New Westminster

Summary:

HSA is unique in terms of the number of supervisors who are included in the union. Part of the reason for this is that supervisors were the founding members of HSA when the union was first organized. This workshop is HSA's invitation for supervisors to come and teach each other how to work together as members and as supervisors, as well as with stewards.

Objectives:

HSA Supervisors will have a better understanding of:

- how to understand the interplay between their role as a member and as a supervisor
- the issues surrounding supervisors who are stewards
- how stewards and supervisors work with each other
- the roles of the union representative and supervisor in grievances
- current information on HSA's work on specific contract issues

The ultimate goal of these workshops is to offer concrete support to HSA supervisors and to promote cooperation amongst all HSA members, no matter their position in the workplace.

Supervisors and Stewards can register by logging into [My Events Registration](#). The workshops will be listed under **Steward Education events**.
