

Election for Region 8 representative on HSA Board of Directors underway

May 9, 2018

During the coming weeks, HSA members in Region 8 will have an opportunity to elect their representative on HSA's Board of Directors.

The position was left vacant at the end of the recent HSA annual convention, as no member was nominated at the original call for nominations. After a second call for nominations in a byelection, the position closed with two members declaring their candidacy:

- Cherylee Hale, a cardiology technologist at Penticton and Kelowna General Hospitals
- Kevin Towhey, a medical radiation technologist at Royal Inland Hospital

In the coming weeks, all HSA members in Region 8 will receive an election package in the mail which includes candidate biographies, voting instructions, a ballot, and a postage paid return envelope to mail your completed ballot back to HSA.

Ballots must be received in the HSA office in New Westminster no later than 5:00 pm on Friday, June 1, 2018.

The successful candidate will assume the position of Regional Director immediately. The term of office ends at the conclusion of HSA's 2020 annual convention.
