Your input needed for member survey on contract issues

August 4, 2021

Health Sciences Association of BC has contracted Viewpoints Research to conduct an on line survey to explore members' priorities and concerns as your union begins negotiations for your next contract. Viewpoints Research an industry leader with 30 years of experience conducting research for unions and other progressive organizations. Using an experienced third-party professional research firm for this membership survey ensures confidentiality and the highest quality of data.

A link to the on line survey will be emailed out to HSA members across BC in the next few days. The full survey should take about 15 minutes to complete. Your participation is crucial, as the quality of information gathered is directly dependent on the number of surveys completed. Check your spam filter to make sure you don't miss your opportunity.

Survey responses are completely confidential to ensure your privacy is protected.

If you have questions about this survey, please contact David Bieber at dbieber@hsabc.org.
