Expressions of interest: HSA Young Workers' Advisory Group

October 19, 2021

Are you a young HSA member (35 and under) interested in increased young worker participation in the union?

The union's board of directors is seeking members aged 35 and younger to get involved in HSA's Young Workers' Advisory Group.

The Advisory Group's purpose is to

- work to understand how HSA is relevant to young workers (those 35 and under) and how to encourage their participation in the union;
- monitor and promote awareness of young worker issues within the union; and
- encourage increased opportunities in the labour movement for young workers' involvement and participation.

See the Young Workers' Advisory Groups [Terms of Reference here](#).

Deadline for applications to serve on the Young Workers' Advisory Group is November 15, 2021.
