HSA is pleased to offer this one-day virtual workshop specifically designed for Occupational Health and Safety (OH&S) stewards and Joint Occupational Health and Safety (JOHS) representatives working to support members with their occupational health and safety concerns.

DATE: November 29, 2022

TIME: 9:00 am to 4:30 pm

LOCATION: Virtual - WebEx details to follow

Level Two OH&S Steward Training

This course further develops the knowledge and skills that OH&S stewards and JOHS committee representatives need to be effective occupational health and safety advocates. Participants will leave this course feeling more empowered and confident in addressing OH&S hazards and in their role as JOHS committee representatives.

This course is offered to OH&S stewards and alternates, as well as JOHS committee representatives and alternates who have already completed HSA Basic OH&S training.

In this course, participants will:

- Gain a deeper understanding of the Occupational Health and Safety law and policy framework, as well as collective agreement provisions that support OH&S
- Review recent and relevant OH&S law and policy
- Review the composition, structure, duties, and functions of JOHS committees
- Build tools and strategies for JOHS committee effectiveness, including JOHS recommendations and incident investigations
- Practice advocacy skills using the tools and resources explored in the course

Register early, space is limited.
