CSS Bargaining Update Reminder: CSS tentative agreement information meetings Monday and Tuesday

March 3, 2023

Voting on your tentative agreement opens on March 20 (more on that below), and in preparation, all CSS members are invited to join information meetings scheduled for Monday and Tuesday:

**Monday, March 6
noon to 1:00 pm PST**

**Tuesday, March 7
7:00 to 8:00 pm PST**

These telephone town halls will give all members an opportunity to listen to reports from the negotiating team, hear questions from other members, and ask questions themselves.

To participate, simply wait for your phone to ring from 12:00 to 12:10 pm Monday, and again from 7:00 to 7:10 pm Tuesday. Pick up to join one or the other - or both. Allow 10 minutes for all the calls to be placed; the meeting won't start until the full dial-out is complete.

How to Vote

Online voting will be open at 8:00 am PST on Monday, March 20 and close at 4:00 pm PST on Monday, March 27

All members covered by the Community Social Services Bargaining Association are entitled to vote. You will need a voting credential to cast your vote - this unique voting ID and password will be sent to you by email on March 20, the same day that voting begins.

For those members who have not provided HSA with a personal email address, voting credentials will be sent by postal mail. These are expected to be delivered by March 20. Any member who does not receive their voting credentials by March 20, or misplaces them, can contact HSA to request a replacement anytime up to March 27 at noon. [Click here to make sure HSA has your personal email](#).

Please ask your coworkers if they are receiving HSA emails — if they are not, encourage them to update their information using the link above.
