

Occupational Health and Safety Committee

KEEPING YOUR WORKPLACE HEALTHY AND SAFE

The Occupational Health and Safety (OHS) Committee participates in the promotion of health and safety for members at their worksites. In conjunction with the Education Committee, the committee makes safety steward training and further education available, and brings outside sources of safety training to the attention of members.

The committee reports to the Board of Directors and makes recommendations on issues concerning occupational health and safety.

HSA's Occupational Health and Safety Committee members:

Anne Davis (Chair, Region 1 Director)

Joe Sebastian (Region 4 Director)

Brenda Hauck (Region 2)

James Rudek (Region 4)

Larry Bryan (Region 5)

Staff - Geri Grigg
