

Preventing Violence in the Health Care Workplace

The following series of nine leaflets has been developed to help health care workers understand and prevent violence in the workplace.

[Violence in the health care workplace: how is it different?](#)

[What is violence?](#)

[What's the difference between violence and aggression?](#)

[What are your rights?](#)

[What is a workplace violence prevention program?](#)

[Hazard and risk: what's the difference?](#)

[What is a risk assessment?](#)

[Violence: how are health care workers affected?](#)

[Violence: what are the impacts on workers, patients, and co-workers?](#)
