

Community Health

The collective agreement for HSA members working in community health services and support is negotiated between employers and the Community Bargaining Association (CBA), which represents members of HSA, the BC Government Employees Union (BCGEU), the Hospital Employees Union (HEU), the Canadian Union of Public Employees (CUPE), the United Food and Commercial Workers union (UFCW), and the United Steelworkers (USWA). The CBA includes more than 750 HSA members, and the large majority of CBA members are represented by the BCGEU, which leads negotiations.
