Meeting to set contract objectives; this is your chance to have a say

November 9, 2005

BL10081

With the Paramedical Professional Bargaining Association contract set to expire March 31, 2006, planning is underway to prepare HSA's priorities to present at the bargaining table. Delegates to the January 23 to 25, 2006 Bargaining Proposal Conference will set the bargaining priorities based on proposals submitted by HSA members at local chapter meetings. Delegates from each region were elected as representatives to the conference at regional meetings held throughout the fall.

HSA stewards will be calling chapter meetings to be held by December 16 to discuss bargaining proposals. All HSA members covered by the Paramedical Professional Bargaining Association collective agreement are urged to attend the chapter meeting. Your negotiating team needs to hear from you.
