Holiday best wishes

December 20, 2006

In past years, the Health Sciences Association has marked the holiday season with cards of thanks and greetings to activists, colleagues, supporters and suppliers to thank you for the work you do with us throughout the year.

This year, HSA has instead made a financial contribution to the B.C. Branch of the Canadian Association of Food Banks. The association works towards province-wide distribution of goods, helping support families throughout the province year-round. You can find out more about the Canadian Association of Food Banks at <http://www.cafb-acba.ca/>

Thank you for your support, and please accept best wishes for the holiday season from the HSA Board of Directors and staff.
