# Advocating for Seniors Advocacy in BC

January 7, 2010

The BC Health Coalition is pleased to announce "Advocating for Seniors Advocacy in B.C." -- an important community event taking place on January 19, 2010 in Burnaby.

The BC Health Coalition is co-sponsoring this event with the BC Seniors' Advocacy Network and the Hospital Employees' Union. They wish to develop a more constructive dialogue among advocacy groups that work with individual advocates and pursue systemic advocacy goals.

The evening will feature guest speaker Toby Edelman, Senior Policy Attorney of the Centre for Medicare Advocacy. Ms. Edelman is visiting your area as part of the Canadian Union of Public Employees' Long-Term Care tour (see attached poster for information).

Please print the poster using the link below and post at your worksite.
