This year, HSA President Reid Johnson will be running with Fraser Valley members at the Abbotsford Run.

Look for HSAs booth at the Run in your community. Send us your photos of the Run: if we publish your photo in The Report magazine or on our website, well send you a gift.

If you cant attend the Run in your community, please consider donating to one of your team members.

As BC leaders in the fight to end breast cancer, the Health Sciences Association of BC is an active participant in the annual Run for the Cure, the Canadian Breast Cancer Foundation's most important fundraising event of the year.

As health sciences professionals, HSA members are the key health professionals breast cancer patients count on for the diagnosis and treatment of, and rehabilitation from breast cancer.
