## Add your voice to the movement against the unfair server wage

September 28, 2011

[Add your voice](#) to the growing movement against the unfair server wage.

When Christy Clark increased the minimum wage, she included everyone but servers. It's not fair and it's open to abuse.

Under new legislation - restaurants can now pay servers less than minimum wage.

When minimum wage is finally increased to \$10.25 - servers will make \$1.25 below the minimum wage.
