HSPBA wage increase effective pay period of March 15-28

March 20, 2013

Following the March 6, 2013 ratification of the HSPBA collective agreement, a wage increase of 2 per cent for all members, excluding pharmacists, will be implemented. This increase is effective the first pay period following ratification, which is the pay period of March 15 to 28. Members are currently receiving pay stubs for the pay period of March 1 to 14. There is no wage increase effective for that period.

Members are encouraged to check their pay stubs to ensure the increases are applied.
