Time for Change Tour

May 27, 2015

The Canadian Labour Congress is kicking off the labour movement's initiative to engage members in issues that will be important to working people in the upcoming federal election. Issues like health care, child care, retirement security and the creation of good, family-supporting jobs.

This fall we'll elect a new government, and you can be a part of it.

Join the Canadian Labour Congress for a rally and party in your community, as part of the labour movement's cross country tour for change. Meet other labour activists, pick up materials and learn how together, we'll build a better Canada.
