## Join your local HSA team and Run for the Cure October 4

August 19, 2015

On Sunday, October 4th, HSA members will once again participate in the 2015 Canadian Breast Cancer Foundation Run for the Cure and we encourage you to join an HSA team today by clicking on the link below.

Eighty-five per cent of HSA members are women and thousands of HSA members play a role in the diagnosis, treatment and rehabilitation of breast cancer patients. HSA has been a major regional sponsor of the Run for the Cure for 18 years. Through fundraising, sponsorship and public campaigns, our union has committed over a million dollars to the fight against breast cancer.

We're incredibly proud of this partnership. It allows us to raise awareness about this disease and the people who work to fight it. HSA's health science professionals diagnose, treat and support recovery for patients with breast cancer.

Please join an HSA team at your local run site, or make a donation to a team member.

We look forward to joining with you on Sunday, October 4<sup>th</sup> to Run for the Cure.
