

## PRESIDENTIAL ELECTION 2023

---

# AGREEMENT ON USE OF STEWARD & DELEGATE LISTS

HSA protects information that members and elected officers provide to the union. However, to enable a candidate to communicate during the campaign period\*, HSA shall, upon request to the Communications Department, provide a contact list of Stewards' and registered Convention delegates' name, facility, profession, and personal email address (if available). For privacy reasons, no other contact information shall be provided. A candidate must sign a letter of commitment to only use the contact list during the current campaign for the purpose of campaigning, and to delete and destroy the contact list, as well as any messages to/from any contact, no later than 6 months immediately following the end of the campaign period\*.

\* The "campaign period" commences effective the date the election is announced and ends when the ballots are counted – January 11, 2023 to April 21, 2023.

I, (*print name*) \_\_\_\_\_, recognize that the steward and delegate lists are privileged information I receive because I am standing for election to the office of president. I promise to use the list in accordance with the attached policy "Election of President", and only during my 2023 campaign. I undertake that I will not use it, or allow it to be used, for any other purpose.

I further undertake to delete and destroy the contact list, as well as any messages to/from any contact, no later than 6 months immediately following the end of the campaign period.
