

Regional Director Election 2026

Agreement on Use of Region's Member Lists

HSA protects information that members and elected officers provide to the union. We require your commitment to protecting the privacy and confidentiality of personal information you receive as a candidate for HSA office.

To enable a candidate to communicate during the campaign period*, HSA shall, upon request to the Communications Department, provide a contact list of constituents' (i.e. members in the region) name, facility, profession, and personal email address (if available). For privacy reasons, no other contact information shall be provided. The candidate must use a personal email address, and not an HSA email address or an employer's email address, if they choose to communicate by email.

A candidate must sign a letter of commitment to only use the contact list during the current campaign for the sole purpose of campaigning and to delete and destroy the contact list, as well as any messages to/from any contact, no later than 30 days immediately following the end of the campaign period*.

** The "campaign period" commences effective the date the election is announced and ends when the ballots are counted – Dec. 15, 2025 to March 30, 2026.*

I, (print name) _____, recognize that the region's member lists are privileged information I receive because I am standing for election to the office of Regional Director. I promise to use the lists in accordance with the attached policy "Election of Regional Directors", and only during my 2025/2026 campaign. I undertake that I will not use it, or allow it to be used, for any other purpose. I further undertake to delete and destroy the contact list, as well as any messages to/from any contact, no later than 30 days immediately following the end of the campaign period.
