HSA Young Workers' Advisory Group: Call for expressions of interest

Are you a young HSA member (35 and under) interested in increased young worker participation in the union?

The union's board of directors is seeking members aged 35 and younger to get involved in a five-member Young Workers' Advisory Group.

The Advisory Group's purpose is to

- work to understand how HSA is relevant to young workers and how to encourage their participation in the union;
- monitor and promote awareness of young worker issues within the union;
- encourage increased opportunities in the labour movement for young workers' involvement and participation

The Advisory Group was created following two young workers' workshops, and two years of discussion at the union's annual convention about strategies for increased participation by younger workers in HSA and the broader labour and solidarity movements.

Deadline for application to serve on the Advisory Group is July 31, 2019. [See the application form here.](#)
