OH&S Conference - June 4 - 6, 2018 Hyatt Regency Hotel and HSA Head Office

The HSA OH&S Conference is open to Joint Health and Safety Committee Representatives, OH&S Stewards and EDMP Representatives. At this year's Conference participants will be learning about welcoming people into their workplaces. Too often work is designed for people who are not too old or too young, do not have children or aging parents, never get fatigued, catch a cold or have a unique learning style. Health and Safety Committees seek to ensure work is healthy and safe for all people.

Participants will be learning about the diverse people that are in their workplaces and the impact that aging, youth and mental health can have on the keeping people safe and healthy and at work. They will be introduced to different tools and supports they have available to them to address and resolve issues that arise in their workplaces. They will work on complex case studies and present to each other the pros and cons of grievances, JOHS Committee recommendations and EDMP processes.

Agenda is currently being finalized.

Registration is through [My Events Registration](#) and you will need your HSA member ID number in order to create a login.
