

THE REPORT

SUBMISSION GUIDELINES

We welcome submissions from HSA members for *The Report* magazine.

The audience for *The Report* is your fellow health and community social service professionals. We encourage writers to use an informal, non-academic, narrative style of writing.

We accept approximately 500 word (one page) and 1000 word (two page) articles. We do not generally publish longer pieces. Examples of previous articles are available [on our website](#).

Please pitch your story idea to our editorial team, ideally by email to Katie Riecken at kriecken@hsabc.org, or call 604-517-0994 or 1-800-663-2017. In your email, please briefly explain your idea; please include your full name, profession, worksite, and contact information.

Due to COVID restrictions we are also asking that, if at all possible, you provide high-resolution photos and author headshots to accompany your article. Please include the name of the photographer, and do not include images of patients or clients.

Please note that we reserve the right to edit your article through a collaborative process, and that while we endeavor to publish member submissions, we cannot guarantee publication.
