Truth and Reconciliation Day, September 30, is a day for nation-wide reflection and education

This September 30th, 2021 is the first year that the federal government has declared a statutory holiday to mark Truth and Reconciliation. In past years, September 30th has been marked as [Orange Shirt Day](#). This date was chosen out of recognition that it was typically late September / early October that the federal government's Indian Agents came for the children.

HSA invites members to spend the day in reflection on our collective and individual responsibilities to Truth and Reconciliation. We are all at different points of understanding and addressing the impacts not only of Residential Schools, but also the of harmful and ongoing colonial tools such as the Indian Act and the 60s Scoop. In an effort to be a part of the change, we have put together some materials and resources for ongoing education in an effort to decolonize our minds and hearts.

If your employer is not recognizing the statutory holiday, please reach out to your workplace HSA steward or the union office at info@hsabc.org.

Indigenous-led events:

- To participate in some events around the province follow the [Indian Residential School Survivor Society's facebook page](#) where they post events as they learn about them.
- [Tk'emlúps te Secwépemc](#) is hosting a virtual drum circle at 2:15 on September 30th to honour the children who never returned home, the survivors of Residential Schools, and the families of these children.

For Indigenous colleagues and members, we provide this reminder of support services:
